Digital Strategy student who turns brand strategy into live, shipped work, from running social media and reporting for a healthcare brand at a Mumbai agency to building and deploying websites with AI tools.

EXPERIENCE

Solutions Strategist Intern | Django (Digital Agency), Mumbai — May 2026 – Sep 2026

- Ran day-to-day social for Pluro, a fertility care platform scaling to **100+ clinics**, across **6 accounts** on Instagram, LinkedIn, Facebook and YouTube: calendars, creative direction, copy and scheduling.
- Owned monthly dashboards and metric decks on reach, engagement and follower growth, and next month's plan.
- Handled client servicing directly with Pluro; used AI to draft decks and reports so all six accounts shipped on time.

Head of Department, Executions | Talaash – A Jai Hind BMS Initiative — Sep 2025 – Feb 2026

- Led a **25-member** execution team across 3 pre-events and the main day of a **1,000+** participant festival.
- Managed a **₹2–3 lakh** budget across vendors, equipment and setup, and delivered the festival within it.
- Recovered from a mid-event power failure without cancelling a segment; kept four departments on one timeline.

Head of Department, Marketing | Jai Hind College Digital Nexus — Dec 2024 – Jun 2025

- Closed **8 corporate sponsors**, including Rio and Mexibay, from **100+** companies pitched, lead to signature.
- Ran a zero-paid-spend Instagram campaign for the Mumbai college circuit and built the team's outreach tracker.

Social Media Manager | Toy Kingdom Online — 2025

- Created content and promotional designs for an e-commerce brand, refining posts using performance metrics.
